CASE NO. 2005-00280

MOTION

Comes now the defendant, Grayson Rural Electric Cooperative Corporation, and moves the Commission for an order granting the defendant an extension of time within which to file its response to the data request from the Commission Staff. In support of this motion, the defendant states that due to the nature of the request, the number of documents comprising the response, and the time necessary to put said response in the format desired, the additional time is necessary.

The actual response without the attached documents is attached to this motion. The number of documents are too voluminous to fax with this motion and the response. A hard copy of all will be mailed this date, November 2, 2005.

Respectfully submitted,

W. JEFFREY SCOTT, PSC
